Worship 8:30 & 10 Thursday evenings 7:30

IT IS SUNDAY, JUNE 21, 2009

Worship at All Saints is festive, fun, and quietly dignified.

We hope your soul is nourished ... being with us today. We enjoy having kids in church. But when they are noisy & disruptive, we ask you please TO RESPECT the quiet and dignity --- both of our worship experience and your neighbor. We have a fine nursery for kids age 5 and under ... and our moderately festive and highly paid staff is always anxious to care for your children. Please accompany your son or daughter to the nursery and introduce yourself to the attendant.

We have some of southland's finest coffee awaiting you in Charter Hall.

a word of welcome

opening prayer

More than ever, Lord ... I long for peace.

From Springfield to Afghanistan ... from the ruffled spirit inside my own soul ... to the angry streets of Iran ... from the quiet sunset over the farmer's field ... to the noisy streets of an inner city neighborhood ----- we just need to get along!!

No more "me first."

No more "what's in it for me."

No more anger, springing from selfish journeys.

No more ----- "more is better."

I know, Lord ... it's about the soul. It's about a gentleness of spirit ... the openness to give ... the courage to do what is right.

It's about "heart-songs" born of grace.

Souls saturated with goodness.

Footsteps outlined in courage.

Help me, Lord, to be a vehicle of peace.

"Let there be peace on earth, and let it begin with me."
