Worship at All Saints is a moment laced with quiet dignity & joy.

We hope your soul is nourished, being with us today. We enjoy having kids in church ... but when they are noisy and disruptive, we ask you please to respect the quiet and dignity ----- both of our worship service and your neighbor. We have a fine nursery for kids age 5 and under ... and our highly paid and moderately festive staff is anxious to care for your children. Please accompany your son/daughter to the nursery and introduce yourself to the attendant. Most of all ----- welcome to our church, and help yourself to some fine coffee in Charter Hall.

welcome

OPENING PRAYER

Lord, so many changes in our world ...
lots of uncertainty,
anxious moments,
things and intersections I cannot control.

I'm so thankful for you, Lord ----- you never waver ... your unending spirit ... the unconditional love coming so alive in the footsteps of your son. Maybe I don't say it enough ... but --- I'm thankful for this "place" ... this church-temple-gathering-place-oasis-hunk-of-goodness. From the bricks to the grass ... from flowering plants out-back to a gym full of love ... the coffee and the love-bucket ... the clean floors and festive sign ... the music and the prayers ...
Yes, this place is a rock, in a world that wavers. It speaks of hope ... in the midst of all my doubts. It invites me in ... when I feel shut out.
It reminds me of my "worth" ... when I don't feel worthy.
Lord --- thanks for listening ... thanks for caring and forgiving ... and for a place ... reminding me of what really matters. Amen.
