**A blessed day to all ... worship here is a moment of spirit & joy.**

We enjoy having kids in church ... but we also like our services quiet and dignified. So, if they get noisy and restless ... please, please respect the quiet & dignity --- both of our worship experience and your neighbor. We have a fine nursery for kids age 5 & under ... and our highly paid, good-looking, over-achieving, and moderately festive staff is always anxious to care for you kids. Please accompany your son/daughter to the nursery and introduce yourself to the attendant. Welcome to All Saints ... enjoy and share the love!!

**welcome, with an announcement or two**

**opening prayer**

*This morning, Lord ... I look for resurrection: hope, new life, an "alleluia-moment." In light of all going on around us --- I need a new skip in my step. I want my tulips to sing ... I want the whole world to hold hands and sing "Kum Ba Yah" ... I long for the day when war is no more & no child will ever hurt again ... is it ok to dream, Lord??*

*Today is about dreams.*

*The courage to dream. The courage to "be."*

*The freedom to fly. The joy of being human.*

*Missing those I love. Hugging my mom. Telling my  
grandma how good she looks.*

*Today the tomb was empty ... but their hearts were full.*

*Lord ---- please fill my emptiness with --- your love, a dash of hope,  
a bit of goodness, and the fullness of your grace.*

*This morning ... my soul is full ... thanks to you, thanks to those  
who love me ...help me hold onto this feeling ... amen.*
