Worship at All Saints is a moment laced with quiet dignity & joy.

We hope your soul is nourished, being with us today. We enjoy having kids in church ... but when they are noisy and disruptive, we ask you please to respect the quiet and dignity ----- both of our worship service and your neighbor. We have a fine nursery for kids age 5 and under ... and our highly paid and moderately festive staff is anxious to care for your children. Please accompany your son/daughter to the nursery and introduce yourself to the attendant. Most of all ----- welcome to our church, and help yourself to some fine coffee in Charter Hall.

welcome

OPENING PRAYER

There are times, Lord, when I can't seem to accept myself-----
my humanity, my limitations,
some of the “twists & turns” that make me who I am.
I know I have a place in this world you have given us. I hear the
words about being “called” and
being one of your children.
I guess that sometimes I just don't believe it!
Help me, Lord, to be confident --- yet humble. Help me to be thankful
for the gifts you have given me --- big, small and in-between.
Help me to reach out --- and affirm the dignity and
purpose of all those around me.
I see the words on a bracelet ... a young child is wearing it --- the
invitation is so simple:
“Accept Yourself ... Accept Others”.
So basic, Lord ----- HELP ME LIVE IT!
Amen
