**ANOTHER FINE SUNDAY ... October 2, 2011**

**Worship at All Saints is a time to reflect, give thanks, pray ...  
in the quietness of this humble place.**

We hope your soul is nourished, being with us today. We enjoy having kids in church ... but when they are noisy and restless ... we ask you **please to respect** the quiet and dignity ---- both of your neighbor and our worship experience. We have a fine nursery for kids age 5 and under ... and our highly paid, moderately festive, and over-achieving staff is always anxious to care for your children. Please accompany your son/daughter to the nursery and introduce yourself to the attendant. Welcome to All Saints ... strong coffee and a clean mug await you in Charter Hall.

**welcome ... maybe an announcement or two ...**

**opening prayer**

Lord, there is so much pain in the world ... as if I'm telling you something you don't already know!!

I'm stunned.

I'm worried.

Most of all ---- I feel.

I feel for others ... for our world ... for those losing loved ones ... for folks going through tough times. Somehow --- I want to help, make a difference, let them know how much I care.

I know, too, Lord ... there is lots of INSPIRATION out there.

The factory worker. The poet. The soldier. The goof down the block.

The care-giver. The ageless grandma.

Lord ... may I never grow weary of feeling & caring for others.

May my passion and love *grow* deeper. My quiet confidence in the goodness of humanity ... may it never waver.

My joy in the simple ... my wonder at the miracle ... my laughter in ordinary moments ---- yes, may the flame forever be bright & pure.

I feel the pain ... I rejoice in moments of goodness ...

I guess it all makes me human. Thanks for being here, Lord ... amen.
