**Worship in this humble place is a time of quiet  
reflection and joy of the spirit ...**

We hope your soul is nourished, being with us today. We enjoy having kids in church ... but when they are noisy & disruptive, we ask you **PLEASE TO RESPECT** the quiet and dignity --- both of your neighbor, and our worship experience. We have a fine nursery for kids age 5 and under ... and our highly paid and moderately festive staff is always anxious to care for your kids.

Please accompany your son/daughter to the nursery and introduce yourself to the attendant. Welcome ... and help yourself to some fine coffee in Charter Hall.

**welcome, with an announcement or two**

**opening prayer**

I get worn-down sometimes, Lord.

Physically, spiritually, emotionally ---- even totally.

Often self-inflicted ... often just letting the “outside world” and lots of “stuff” get to me.

This morning ... I long for a bit of the kind-of peace only you can give.

A heart-song peace.

A soul-driven peace.

A quiet-humble-strengthening peace.

I’m sorry, Lord ... when I think I can “do it all” ... when I try to “be all” ... when I think I’m more than I really am ...

I know I need to grow ... I need to be humble enough to listen to others ... and to open my heart to the surprising “winds of your spirit.”

For now ---- it’s just good to be here ... to sing and pray about the wonder and joy of your son.

In a complicated world ... your peace seems so simple.  
I feel it. I believe in it.  
Now ... I need to walk in it. With you, I know I can. Amen.
