

Children's sermon: April 25, 2010

"Oodles and Noodles of Love"

Fred is sick again. Seems like he hasn't felt good for a long time.
And everyone is giving him advice ----- take aspirin, try this cream ... how about fruit juice? ...
herbs and spices? ... multi-colored band-aids ... will they help????
But, NO ... Fred isn't feeling any better.

Then there is SANDY.
Everyone makes fun of Sandy ... because she believes LOVE can cure anything!@!!
When she sees that Fred is a bit "low" ... well, she sings her usual song.

Do you like it?? ----- "Your love is lifting me higher" ... by Jackie Wilson.
How many of you have "Jackie Wilson" CD's????

Let's talk a bit about the power of love.
Now ... LOVE doesn't make everything better ... and LOVE doesn't mean your wishes will all
come true ... LOVE probably won't make the flu go away.
But LOVE DOES **lift you higher and higher!!**

Kids ...I love you, and you me.
All these people in the church love you.
God loves you.
Jesus loves you.
ARE YOU FEELING BETTER?
IS FRED FEELING BETTER?

You know what Sandy always says? ----- when your life is full of
OODLES AND NOODLES OF LOVE well, it just doesn't get any better than that!@!!
How much love is in your heart? ---- oodles and noodles of love????

Well ... as a reminder ...I have for you ... your VERY OWN NOODLE!!
Use it.
Enjoy it.
Take it into the swimming pool.

But most of all ----- fill your heart with "oodles and noodles" of love!!
